

MARKET REPORT October 2016 / 02

Almonds

...

Facts/Market Data:

We previously advised that almond shipments during September reached a remarkable 201.6 million lbs, which was a 41% increase over last year's 142.9 million lbs. The previous all time record for September was 177 million lbs in 2013, and whilst many of us expected a new record, we did not expect such a large shipment figure.

We have now seen record shipments in April, May, June, August and September 2016; July 2016 was also a strong number, being the 2nd largest amount ever shipped in July.

Compared to last year, September shipments to all destinations....
