

## MARKET REPORT November 2016 / 02

### Almonds

The Almond Board of California released their October 2016 Almond Industry Position Report on Tuesday evening 8<sup>th</sup> November, with shipments of 235.5 million lbs, a 45% increase over last year's 162.5 million lbs. The shipment figure was close to the number we expected, though it's still a remarkable increase in shipments. This is historically the largest amount ever shipped in a single month by California (previous all time record was 228 million lbs in October 2013). We have now seen record shipments....
