

## MARKET REPORT February 2017 / 02

### Almonds

#### Facts/Market Data:

Heavy rainfall and storms have hit the Californian valley, bringing flooding to many almond orchards. Temperatures have also been lower than normal for this time of the year.

Most Almond Packers and Growers have withdrawn from the market as they are extremely concerned by the development of this years bloom. With all of this negative news and the uncertainty over the size of the 2017 crop, Almond prices have increased by...
