

MARKET REPORT May 2017 / 02

Almonds

Facts/Market Data:

The Almond Board of California released their April 2017 Position Report on Thursday evening 11th May confirming shipments of 152 million lbs, a decline of 9% from last year's 167 million lbs. This decline fits with our expectations, as we suggested in last week's report a decline of at least 6% should be expected.

Compared to last year, April shipments to US Domestic were unchanged, Asia showed a decline of 26% and Middle East/Africa...
