

MARKET REPORT June 2017 / 01

Almonds

Facts/Market Data:

On Friday evening 9th June the Almond Board of California released their May 2017 Almond Position Report with a 4.1% decline compared to the 178.0 million lbs shipped last May. Virtually every Buyer, Trader and Grower expected May shipments to be between 150 and 160 million lbs, no one predicted a figure as high as 170 million lbs. When you consider last year's 178 million lbs was a record and significantly higher than the previous May's figures, you can understand why this new figure has surprised the industry. Most Californians are also reporting that they could have sold much more last month to ...
