

MARKET REPORT August 2017 / 02

Almonds

Facts/Market Data:

On Thursday 10th August the Almond Board of California released their final report from the 2016/17 season. July shipments hit another record of 154 million lbs, an 11.1% increase over last year's 139 million lbs.

Although we have been predicting record shipments for some time, the market has reacted to the reality with higher prices...
