

MARKET REPORT October 2017 / 02

Almonds

Facts/Market Data:

The Almond Board of California released their September 2017 Position Report on Wednesday evening 11th October confirming shipments of 190.58 million lbs; although this was a strong number, being the 2nd largest amount ever shipped in September, the figure was on the lower end of expectations.

This decline in shipments also creates some further questions, as the year to date shipments (2 months) only show 359 million vs.
