

## **MARKET REPORT November 2017 / 02**

### Almonds

#### Facts/Market Data:

Two weeks ago we reported that California had shipped 246 million lbs during the month of October, the largest amount ever despatched in one month in the history of the almond industry. Within minutes of the announcement from the Almond Board, prices increased by \$120 per tonne; this was mainly on the back of some buying from European Traders and Industry. A few days after the announcement, prices had....
