

MARKET REPORT March 2018 / 02

Almonds

Facts/Market Data:

The Almond Board of California released their February 2018 Almond Industry Position Report Friday evening 9th March, with shipments of 190.1 million lbs, a 24.9% increase over last year's 152.20 million lbs. With 7 months of the season completed, almond shipments are now at 1.422 billion lbs, a 12.1% increase over last year's 1.268 billion lbs.

We have now seen record shipments in each of the last 5 months and we expect another strong number in March. There is little doubt this Position Report is very bullish. Although we did predict a very strong shipment number of between 175 and 180 million lbs, we did not expect...
