

## **MARKET REPORT October 2019 / 01**

### Almonds

#### Facts/Market Data:

The shipment report for September 2019 was released yesterday by the Almond Board with 196.2 million lbs. The number is 27.4 million lbs or 16% higher than September 2018, making this month the second biggest September ever behind 2016. The domestic market was up 8.5% and exports were up 19.5%. Year-to-date total shipments are now up 6.5%. A high number was expected as shipments in August were restricted by the limited quantity available, but the number is higher than what most people in the market did expect...
