

MARKET REPORT April 2020 / 02

Hazelnuts

Facts/Market data

The hazelnut market has of course been affected by this dreaded virus, but more from a logistical standpoint than anything else. Truck drivers returning from Europe to Turkey and Georgia are required to take 14 days of isolation on their return. This has led to more sea shipments taking place from those origins, but otherwise shipments remain strong.

In fact, Turkey has shipped over...
