

MARKET REPORT April 2020 / 03

Almonds

Facts/Market Data:

This morning Terra Nova Trading published their annual estimate for the almond crop. The consensus before this estimate was around 2.75 billion lbs. Bountiful published their estimate last week with 2.73 billion lbs. There have been people believing in a higher number, but now the ghost is out of the bottle.

TNT estimate for the 2020 almond crop is at...
