

MARKET REPORT June 2020 / 01

Almonds

Facts/Market Data:

Last week we saw two important numbers for the almond industry. The objective estimate was released on Tuesday, the 7th of July and the position report for June was released on Friday, the 10th of July. The objective estimate was as always awaited with much interest. With last year's objective estimate being so far off, a new method was used this year, and not surprisingly the objective estimate came out....
