

MARKET REPORT May 2021 / 01

Almonds

Facts/Market Data:

It has been an eventful week with two estimates and the position report for April being published. On Monday the estimate by Wonderful, a large handler of almonds and pistachios, came out, followed by the position report on Tuesday and the NASS subjective estimate on Wednesday. Again most expected a big shipment number published in the position report. The previous month was the largest March ever, and this April was the largest April ever. Needless to say that California is happy to ship these volumes, especially with the continued logistical issues at ports in Oakland and Long Beach. With 249.9 million lbs we saw an increase of ...
