

MARKET REPORT July 2021 / 01

Almonds

Facts/Market Data:

A lot of numbers to look at this month. The position report covering the month of June 2021 was published Friday by the Almond Board of California followed by the objective estimate Monday. As we have seen the last few months, an expected high shipment number materialized, and we saw shipments increase 25.7% or 45.1 million lbs to reach an astonishing 220.5 million lbs in June 2021. As a comparison June shipments over the last 5 years have averaged 170 million lbs. The number is certainly at the higher end of expectations, and brings total shipments...
