

MARKET REPORT February 2022 / 01

Almonds

Facts/Market Data:

On Friday 11th February the Almond Board of California published the position report for January 2022. The shipments follow the same pattern as seen during the last months. California has hoped that January would be the turning point, and would have showed an increase for the first time this year. Especially as January 2021 was the only month last year showing low shipments....
