

## **MARKET REPORT August 2022 / 01**

### Almonds

#### Facts/Market Data:

After 3 months of very good shipments and an estimate below expectations the market was set for firmer prices. But California has now faced a very different reality. The position report for the month of July, the last one for the almond year 2021/22, was published by the Almond Board of California on Friday 12th August showing a...
