

MARKET REPORT MAY 2024

Almonds

Facts/Market Data:

Last week was very intense, as the wonderful crop estimate was published on 10th May, followed by the subjective estimate, and on Tuesday, 14th May, the position report for April 2024 was published. The subjective estimate was much anticipated. The estimate is based on 1.38 million bearing acres, slightly above the other two estimates. As always, not everyone agrees with the numbers, but...
