

MARKET REPORT JULY 2024

Almonds

Facts/Market Data:

On Wednesday 10th July the much-awaited objective estimate was released followed by the position report for the month of June published by the Almond Board of California on Thursday 11th July. As all previous estimates had been within a narrow range, the general expectation was for a number around 3 billion lbs or even slightly above. The objective estimate surprised most market participants, even the growers/packers. Shipments for June were expected to be higher than last year, and.....
