

MARKET REPORT December 2017 / 03

Almonds

Facts/Market Data:

The Almond Board of California released their November 2017 Position Report on Tuesday evening 12th December and announced remarkable shipments of 228.46 million lbs. Shipments were up by 21.8% on last year's 187.51 million lbs and an all time record for November. Shipments for the season (after 4 months) are up by 5%, which is again ahead of expectations. We previously advised almond shipments during November would be strong and if you were considering...
