

## **MARKET REPORT April 2018 / 01**

### Almonds

#### Facts/Market Data:

The Almond Board of California released their March 2018 Almond Industry Position Report yesterday evening 12th April, with shipments of 193.9 million lbs, a 8.9% increase over last year's 178.1 million lbs.

The market was expecting a strong number with shipments 5 million lbs higher or lower than last year. Although at Moll we were expecting this year's number to exceed last March we did not predict it would be 15 million lbs above. More importantly California managed to achieve another...
