

MARKET REPORT November 2018 / 03

Almonds

Facts/Market Data:

The shipment numbers for October should be well known by now, so just a short recap. With 247.1 million lbs shipments were unexpectedly high and 0.5 million lbs above October 2017. We were in California as the numbers were published, and would like to share our experience with you. We travelled the Valley from south to north visiting more than 20 packers and traders getting an insight to their feelings and expectations on crop size, shipment and pricing....
