

## **MARKET REPORT February 2021 / 01**

### Almonds

#### Facts/Market Data:

The position report covering the month of January 2021 was published Thursday, the 11th of February by the Almond Board of California. And for once we are not repeating ourselves. It was NOT another record. With 192.6 million lbs we saw a decrease of 26.2 Million lbs or 11.9% compared to last January. The first month this crop year without a record. A month ago we expected high shipments for January based on the high commitments.
