

MARKET REPORT May 2022 / 01

Almonds

Facts/Market Data:

Last week was a busy week. The nuts and dried fruit industry was assembled at the annual International Nuts and Dried Fruits Congress (INC), during which the position report for April and the subjective estimate were both published. After a rather neutral March shipment report, the numbers for April were more encouraging for California. To the surprise of many exports lead the way despite the continued logistical challenges.
