

## **MARKET REPORT July 2022 / 01**

### Almonds

#### Facts/Market Data:

Again a month with more than just one number to look at. On Friday 8th July the objective estimate was published. Expectation were in general between 2.7 and 2.9 billion lbs. On Tuesday 12th July the position report was published. The big news was the surprisingly low objective estimate. The estimate took nearly everyone by surprise, and many do not believe the number. But no one in California is going to say it loud...
