

MARKET REPORT April 2023 / 01

Almonds

Facts/Market Data:

On Tuesday 11th April the Almond Board of California released the position report for March 2023. For the third month in a row we saw a huge increase in shipments. At 281 million lbs shipments were 36 million lbs or 14.7% above March last year. A new all-time high for a March and again the best shipment month so far this season, even surpassing the record high February.
