

MARKET REPORT December 2024 / 01

Almonds

Facts/Market Data:

On Tuesday, December 12, the position report for November was published. Before the report, there were talks about high shipments and continued high new sales, but also reports from packers about double-digit declines. In the end, shipments came in as expected at 238 million lbs, 34 million lbs, or 16.6% higher than November last year. Year-to-date shipments are now up 9.6%.
