

MARKET REPORT JANUARY 2024 / 01

Almonds

Facts/Market Data:

On Thursday 11th January the position report for December 2023 was published. Good shipments were expected as new sales in October and November were very high. In the end shipments came in at 229 million lbs, 23 million lbs or 11.1% higher than December last year. A good number, but perhaps not as good as hoped by California. Year-to-date shipments are now up 103 million lbs or 9.9%.
